

Dear Sir or Madam,

Wielka Orkiestra Świątecznej Pomocy (WOSP) is a charitable foundation whose mission is to aid the advancement of medical care in Poland, in particular the care of children and the elderly.

The foundation was formed on March 2, 1993 and since then, every second Sunday of January; various chapters across the world host a day-long event to raise funds for the charity.

The Copernicus Foundation is this year's Chicago organizer for the 22nd annual fundraiser that will take place at the Copernicus Center on **Sunday January 12, 2014** starting at 12 pm and going until 8pm. An assortment of bands, dance and variety groups will perform. Simultaneously, patrons will have the option of participating in a silent auction and take in a wonderful exhibit of locally crafted Polish art. The goal is to raise a record sum of donations to fund specialized equipment for children's emergency medical care and for the provision of decent health care for the elderly.

We kindly ask you to support this noble goal and aide in the continuation of the WOSP foundation's work. In exchange for donations, we offer marketing and advertising opportunities for sponsors.
